WELCOME MESSAGE

Dear Sir,

Greetings from South-Asian Academy of Ophthalmology!

It gives us immense pleasure to invite you to the 16th conference of South-Asian Academy of Ophthalmology (SAO) that is scheduled to be held at Ukulhas, Maldives. This conference will bring together practitioners, researchers, and educators from India and abroad who are engaged in state of art academic work in ophthalmology, The conference will continue its aim of imparting medical education in the best possible manner in its various sessions. Together with the stalwarts in the fields of Ophthalmology from across the country and outside, we are planning sessions for young Ophthalmologists as well. It will be a three-day event that will involve live surgery demonstrations, Oration & Keynote Lectures, sessions on different specialities problem and their solutions, Video-assisted sessions, sessions for young Ophthalmologists, free paper sessions with awards and hands-on wet labs and skill development sessions.

We look forward to welcome you at the 16th conference of South-Asian Academy of Ophthalmology

Your's Sincerely
